

## **Liburdi Turbine Services Inc.**

---

400 Highway 6 North, Dundas, Ontario, L9H 7K4, Canada

Liburdi is an aerospace industry leader, specializing in refurbishment and upgrade of turbine engine components.

### **AFTERNOON AND MIDNIGHT SHIFT POSITIONS AVAILABLE**

#### **Experienced CNC Milling/EDM Operators**

- Experienced operator to perform close tolerance CNC Milling and Electro-Discharge Machining on gas turbine components.
- Proficiency using basic measuring tools is required.
- Top notch communication skills and the ability to read and work from drawings with minimum supervision
- EDM experience and CNC programming skills would be an asset.
- Prior experience working in a machining environment is an asset.
- The successful applicant will be required to cross train and perform other functions as required.

We are currently hiring for dedicated positions on 2<sup>nd</sup> Shift (afternoon) and 3<sup>rd</sup> Shift (midnights). We offer competitive salaries and benefits and we reward performance and willingness to grow through cross-training and job achievement. Salary is commensurate with experience and ability.

If you are looking for a position in a growing company with a solid international reputation, within which you can grow your skills, please express your interest by email to [resume@liburdi.com](mailto:resume@liburdi.com), **Attention: LTS-Machine Operators** or fax to: 905 689-1376.

Successful candidates will be invited to interview and asked to perform a supervised practical test to demonstrate aptitude and ability. Applicants must have their own transportation.
