EMBROIDER

SOLUTIONS POWERED BY LIBURDI

Liburdi Group of Companies is pleased to announce the opening of our Edmonton office to better serve the Alberta and surrounding western region. This new facility has the capacity to provide sales and support, in-house weld development, demonstrations, rentals and turnkey projects.

Our legendary products and extensive expertise serving the nuclear, aerospace and industrial markets is now available for the expanding oil & gas customer base located in western Canada. We welcome the opportunity to discuss your specialty welding needs.
